

Our consultative team shares the vision and values of the community.

We have the knowledge and expertise to bring success to your cards program.

Meet Stephanie Hainje

Stephanie, our Portfolio Consultant, loves to cook and entertain friends and family as if she was a master chef on the Food Network. BAM! When she's not preparing meals at home, she uses her more than 17 years of payments experience to get the job done for financial institutions across the country.

She's an expert in credit and debit processing, marketing, lending, operations, payments education, payments RFP, affinity card programs, and sales training. She has the knowledge and care to make sure your program is performing at the level you want.

Stephanie has a keen eye for detail--keeping her finger on the pulse of every aspect of your business so you can focus on what matters most: your cardholders. Stephanie dives right into the project to look at your goals and find the challenges your program can overcome.

Let Stephanie help you optimize your card program. Sign up for your free consultation today.

Who knows, she might even share one of her famous dishes!
